

REF: MB Docket No. 04-233

Please do not let LPFM impact K-Love. My family and I have been K-Love listeners and supporters for many, many years. The ministry K-Love provides has changed our lives and brought us to Jesus Christ. I don't know what I would do without K-Love. The music has real meaning...God's love, forgiveness, and compassion. We don't listen to any other station. My children love to sing about Jesus. They have even introduced K-Love to their friends. I don't want my children listening to music that has expresses killing, hate, sex, and cheating. I truly believe that is why we have children killing children because The music says it's O.K. to kill. We need more radio stations like K-Love. PLEASE don't take K-Love from us!!!

Thank you, Maggie Perez
K-Love.
